Resettlement Cost	183.50		3	i	86.53	The cost of 100 units electricity provided to the project affected families = INR 6.5 Lacs		ii	10941.75	Crop Compensation of Duttanagar Panchayat = INR 75.08 Lacs	Total		14906.28	
S. No.	Activity / Description	Expenditure (INR in lac)	Remarks																									
1.	Land cost	3694.5																										
2.	Resettlement Cost	183.50																										
3	i	86.53	The cost of 100 units electricity provided to the project affected families = INR 6.5 Lacs																									
	ii	10941.75	Crop Compensation of Duttanagar Panchayat = INR 75.08 Lacs																									
Total		14906.28																										

		Corporate Social Responsibility			
		Activity / Description	Expenditure (INR in lac)	Remarks	
		CSR Expenditure for the FY 2012-13	133.85	-	
		CSR Expenditure for the FY 2013-14	128.60	-	
		CSR Expenditure for the FY 2014-15	663.28	-	
		CSR Expenditure for the FY 2015-16	348.15	-	
		CSR Expenditure for the FY 2016-17	464.15	-	
		CSR Expenditure for the FY 2017-18	385.00	-	
		CSR Expenditure for the FY 2018-19	310.00	-	
		Total	2433.03		
		Direct and Indirect Employment Provided to PAF's/PAA's in Rampur HPS and its contracting agencies			
		ACTIVITIES	No. of Persons (Cumulative)	Remarks	
	(iv) Assurances/ Commitments honored by project authority given in Public Hearing (Particularly employment to PAP & locals)	Providing employment to PAFs/PAPs/Local through HIMPESCO	95	-	Being Complied
		Providing of employment to PAFs & PAPs by Major Contractors	444	-	
		Providing employment to PAFs by SJVN	01	-	
		Providing of contracts to PAFs/PAPs & local residents by SJVN	195	-	
		Providing of contracts to PAFs/PAPs & local residents by Major Contractors.	84	-	
		The hiring of Vehicles from PAFs / PAPs & local residents by SJVN	63	-	
		The hiring of Vehicles from PAFs/PAPs/ local residents by Contractors	42	-	
		Land/house taken on lease by contractors from PAFs/local residents.	119	130 months	
(v)	Implementati on of Fish Management Plan in consultation to State Fisheries Department	<ul style="list-style-type: none"> • Earmarked amount: INR1,00,00,000/-; • The amount deposited with Department of Fisheries, Himachal Pradesh : INR1,00,00,000/-; • Amount utilized and reported up to 31st March, 2019: INR 98,55,840/-; • Activities covered under this plan are: <ul style="list-style-type: none"> a. Part construction of Masheer fish farm at Machhial, Distt. Mandi; b. Assistance to 68 nos. affected fisherman (fishing nets to 47 nos. fisherman, carts to 17 nos. fisherman and financial support to 4 nos. fisherman for construction of fish ponds). 			Being Complied

(vi)	During lean season 23.7 cumecs water release in the downstream of dam	<ul style="list-style-type: none"> The condition regarding the availability of 23.7 cumecs of water in the downstream of the dam is not valid in case of Rampur HPS and modified to "PP shall install an online monitoring facility to record the discharge of Satluj River at the downstream of Jhakri on a regular basis to generate a time series data round the year", vide letter no. J-12011/94/2005-IA.I-741, November 03, 2016 of MoEF&CC. The Online Continuous Flow Measurement Device along with data recording facility has already been installed at the downstream of Rampur HPS Intake / NJHPS Outfall. 	-
------	---	--	---

Part B		GENERAL CONDITIONS		
S. No.	Conditions	Status		
(i)	Adequate free fuel arrangement for the labor force.	<ul style="list-style-type: none"> No free fuel supplied during 1st October, 2018 to 31st March, 2019. 	-	
(ii)	Free fuel depot at the site	-	Being Complied	
	Medical Facilities	<ul style="list-style-type: none"> First Aid facility available at the site and medical health facility created at Bayal; Ambulance Service facility round the clock. 		
	Recreational Facilities	-		
(iii)	Laborers engaged for construction works should be thoroughly examined by medical personnel and adequately treated before issuing them work permit	<ul style="list-style-type: none"> Nil 	Ensured	
(iv)	Restoration of construction areas including dumping site of excavated materials. The area should be properly treated	Rampur HPS has executed 3 no. pilot projects for restoration of muck dumping yards. Detail of Pilot Projects is given below:	Complied	
		Pilot Project-01		Restoration of Muck Dumping Yard-02, for an area of 2225 m ² has been completed at the cost of INR8,80,278/- by Coir-Geo Textile application. Completed on November 19, 2009.
		Pilot Project-02		Restoration of Muck Dumping Yard-01, for an area of 1416.50 m ² has been completed at the cost of INR7,63,895/- by Coir-Geo Textile application. Completed on September 15, 2011.

with suitable plantation	<p>Pilot Project-03 Restoration of Muck Dumping Yard-01, for an area of 1567.5 m² has been completed at the cost of INR 4, 14,923/- by Jute-Geo Textile application. Completed on March 15, 2012.</p> <p>The details of muck utilization sites treated with geo-green erosion control blanket are as under:-</p> <table border="1"> <tr> <td data-bbox="560 227 817 300">Type-D, Jhakri</td> <td data-bbox="817 227 1960 300">Restoration of muck utilization area near Type-D on an area 5798 m² completed on March 06, 2013 at the cost of INR26.19 lacs (per m² @ INR452/-).</td> </tr> <tr> <td data-bbox="560 300 817 397">Duttnagar Area</td> <td data-bbox="817 300 1960 397">4970 m² area (Project colony and near left abutment of steel bridge at Duttnagar) developed with muck and restored through geo-green erosion control blanket (coir) was completed on March 31, 2013 at the cost of INR22.78 lacs (per m² @ INR458/-).</td> </tr> <tr> <td data-bbox="560 397 817 462">Bayal Area</td> <td data-bbox="817 397 1960 462">3637 m² area (Power House slope) developed with muck and restored through geo-green control blanket (coir) at the cost of INR16.67 lacs (per m² @ INR458/-).</td> </tr> <tr> <td data-bbox="560 462 817 544">Auditorium, Jhakri</td> <td data-bbox="817 462 1960 544">Restoration of muck utilization area near Auditorium, Jhakri on an area 2868.08 m² completed at an estimated cost of INR22.28 lacs (per m² @ INR777/-).</td> </tr> <tr> <td data-bbox="560 544 817 617">Left Bank Work</td> <td data-bbox="817 544 1960 617">1992.92 m² area (near left bank diversion works) restored through geo-green control blanket (coir) at the cost of INR9.13 lacs (per m² @ INR458/-).</td> </tr> <tr> <td data-bbox="560 617 817 690">Surge Shaft</td> <td data-bbox="817 617 1960 690">2427.30 m² area restored through geo-green control blanket (coir) at the cost of INR9.9 lacs (per m² @ INR407.86/-).</td> </tr> <tr> <td data-bbox="560 690 817 755">Power House</td> <td data-bbox="817 690 1960 755">Restoration at Power House slopes on an area of 14525 m² at the cost of INR67 lacs (per m² @ INR460/-), completed on September 10, 2014.</td> </tr> </table>	Type-D, Jhakri	Restoration of muck utilization area near Type-D on an area 5798 m ² completed on March 06, 2013 at the cost of INR26.19 lacs (per m ² @ INR452/-).	Duttnagar Area	4970 m ² area (Project colony and near left abutment of steel bridge at Duttnagar) developed with muck and restored through geo-green erosion control blanket (coir) was completed on March 31, 2013 at the cost of INR22.78 lacs (per m ² @ INR458/-).	Bayal Area	3637 m ² area (Power House slope) developed with muck and restored through geo-green control blanket (coir) at the cost of INR16.67 lacs (per m ² @ INR458/-).	Auditorium, Jhakri	Restoration of muck utilization area near Auditorium, Jhakri on an area 2868.08 m ² completed at an estimated cost of INR22.28 lacs (per m ² @ INR777/-).	Left Bank Work	1992.92 m ² area (near left bank diversion works) restored through geo-green control blanket (coir) at the cost of INR9.13 lacs (per m ² @ INR458/-).	Surge Shaft	2427.30 m ² area restored through geo-green control blanket (coir) at the cost of INR9.9 lacs (per m ² @ INR407.86/-).	Power House	Restoration at Power House slopes on an area of 14525 m ² at the cost of INR67 lacs (per m ² @ INR460/-), completed on September 10, 2014.	
Type-D, Jhakri	Restoration of muck utilization area near Type-D on an area 5798 m ² completed on March 06, 2013 at the cost of INR26.19 lacs (per m ² @ INR452/-).															
Duttnagar Area	4970 m ² area (Project colony and near left abutment of steel bridge at Duttnagar) developed with muck and restored through geo-green erosion control blanket (coir) was completed on March 31, 2013 at the cost of INR22.78 lacs (per m ² @ INR458/-).															
Bayal Area	3637 m ² area (Power House slope) developed with muck and restored through geo-green control blanket (coir) at the cost of INR16.67 lacs (per m ² @ INR458/-).															
Auditorium, Jhakri	Restoration of muck utilization area near Auditorium, Jhakri on an area 2868.08 m ² completed at an estimated cost of INR22.28 lacs (per m ² @ INR777/-).															
Left Bank Work	1992.92 m ² area (near left bank diversion works) restored through geo-green control blanket (coir) at the cost of INR9.13 lacs (per m ² @ INR458/-).															
Surge Shaft	2427.30 m ² area restored through geo-green control blanket (coir) at the cost of INR9.9 lacs (per m ² @ INR407.86/-).															
Power House	Restoration at Power House slopes on an area of 14525 m ² at the cost of INR67 lacs (per m ² @ INR460/-), completed on September 10, 2014.															
(v) The financial provision in the total budget of the project for the implementation of above suggested safeguard measures.	<table border="1"> <thead> <tr> <th data-bbox="560 787 672 860">S. Achieved cost INR 21.90 lacs</p>	Being Complied		
S. No.	Parameter	Total Cost (INR in lac)	Amount released/ spent or Remarks													
1.	Control of pollution from labor camps during construction (i) Sanitation Facilities. (ii) Solid Waste Management	218.6 111.1	<ul style="list-style-type: none"> Items in this subhead were executed by main contractors through the Contract agreement (Refer Contract Agreement No. RHEP-10/2007, Document No. V of VII, Volume-I, Clause 2.3.14 & 2.3.15); Three Nos. portable toilets costing INR2.56 lacs installed in Power House site. 													
2.	Restoration and landscaping of project sites.	25.00	<ul style="list-style-type: none"> Restoration at various locations was carried out through main contractors by executing condition under Contract Agreement (Refer Contract Agreement No. RHEP-10/2007, Document No. V of VII, Volume-I, Clause 2.3.19); <p>The slope of the powerhouse is restored through Geo-green Erosion Control Blanket technique .Work has been completed on December 28, 2017. Achieved cost INR 21.90 lacs</p>													

		3.	Muck disposal plan	236.6	<ul style="list-style-type: none"> Disposal of excavated material was done through contractors by integrating the requirement under Contract Agreement (Refer Contract Agreement No. RHEP-10/2007, Document No. V of VII, Volume-I, Clause 6.11); Achieved cost, i.e. INR1390 lacs is the cost taken under Cost to Completion of Rampur HPS.
		4.	Compensatory Afforestation (CA) including Net Present Value (NPV)	660.3	<ul style="list-style-type: none"> Land diverted 70.3036 ha instead of 50 ha taken in estimate (out of 70.3036 ha, 20.41 ha is notional area diverted for underground components of the project); An amount of INR 88,28,620/- has been deposited with HP Forest Department (INR 86,42,620/- for 69.3762 ha + INR 1,86,000/- for 0.9274 ha) against the Compensatory Afforestation and the department has provided utilization of INR1,01,62,510/-, which is over due to increase in norms under CAMPA. HP Forest Department had submitted that the area earmarked for CA i.e. 2 ha., against the land diverted (0.9274 ha) in 2009 for developing Kasholi Adit, shall be afforested through APO of FY 2018-19, but the latest status has not been submitted yet. In addition, plantation of 20350 saplings was carried out in Rampur HPS vicinity to promote afforestation.
		5.	Wildlife Conservation	62.5	<ul style="list-style-type: none"> The amount earmarked: INR62,50000/- ; Amount utilized INR 45, 13, 585/-
		6.	Construction of settling tanks	20.00	<ul style="list-style-type: none"> Item in this subhead was executed by main contractors through the Contract Agreement (Refer Contract Agreement No. RHEP-10/2007, Document No. V of VII, Volume-I, Clause 16.1 read in conjunction with Clauses under Chapter 14).
		7.	Sewage Treatment facilities for Jagatkhana and Brow town	100.00	<ul style="list-style-type: none"> It is learned that draft DPR has been prepared by State Irrigation & Public Health Department for developing the entire sewerage system. Planned cost of INR100 lacs meant for this subhead shall be released once we receive requisitions from the HP Irrigation & Public Health Department.

		8.	Fish Management	100.00	<ul style="list-style-type: none"> • INR100 lacs deposited with Department of Fisheries, Himachal Pradesh. INR 98,55,840/- has been utilized by Department of Fisheries, Himachal Pradesh; • A marginal amount of INR 1, 44,160/- is yet to be utilized by Department of Fisheries, Himachal Pradesh.
		9.	Resettlement & Rehabilitation Plan	12550.00	<ul style="list-style-type: none"> • 14906.28 lacs
		10.	Purchase of Monitoring Equipment	4.5	<ul style="list-style-type: none"> • INR44.38 lacs spent upon purchasing monitoring equipment.
		11.	Catchment Area Treatment Plan	2337.94	<ul style="list-style-type: none"> • The CAT-Plan of Rampur HPS was prepared by HP Forest Department and was approved in the SJVN's 150th BOD meeting held on May 16, 2006. • Amount utilized: INR19, 91, 30,639 /-.
		12.	Disaster Management Plan	50.00	<ul style="list-style-type: none"> • The work "Advanced Warning cum Alert System" has been installed on dated 20th October, 2018. Achieved cost INR 57.61 lacs • In addition, Rampur HPS has carried out numerous disaster management works, like, developing public address system, V-Sat, warning boards along the Satluj banks, etc.
		13.	Public Awareness Programme	5.00	<ul style="list-style-type: none"> • INR8.38 lacs has been incurred on awareness programmes.
		14.	Development of Environment Laboratory	15.00	<ul style="list-style-type: none"> • INR8.24 lacs has been incurred in developing Environment Laboratory.
		15.	Environment Monitoring during project construction & operation phases.	75.00	<ul style="list-style-type: none"> • INR54, 06,435/- has been utilized by HPSPCB in respect of Environment Monitoring from 2006-2013. • HPSPCB has introduced a notification on Environment Monitoring Plan, vide which Environment Monitoring Plan (for the period of 40 years, from 2014-15 to 2053-54) has been framed for Rampur HPS by HPSPCB, wherein Rampur HPS has

				<p>to remit annual installments with HPSPCB for the monitoring of Rampur HPS designated sites by the latter. In this respect, INR36,50,114/-has been deposited with HPSPCB up to FY 2017- 2018 end.</p> <ul style="list-style-type: none"> • Therefore, an amount of INR 90,56,549/- (INR54,06,435/- + INR36,50,114/-) has been deposited with HPSPCB for monitoring purposes. • Amount utilized and reported up to 31st March, 2019: INR 29, 64,551/- & balance amount with HPSPCB= INR 6, 85,563/- . 	
(vi)	Monitoring Committee for R&R (Must include representatives of project affected persons from a women beneficiary)			<ul style="list-style-type: none"> • The internal monitoring committee was constituted comprising of one women representative. 	
(vii)	Multidisciplinary Committee formation to oversee the implementation of suggested safeguard measures			<ul style="list-style-type: none"> • 1st Multi-Disciplinary Committee held on 23rd September 2010 at Rampur HPS, Jhakri; • 2nd Multi-Disciplinary Committee held on 19th May 2011 at Rampur HPS, Jhakri; • 3rd Multi-Disciplinary Committee held on 22nd March 2012 at Rampur HPS, Jhakri. • RO, MoEF&CC, Official site visit for monitoring compliance to EC stipulation was conducted on December 15, 2016. • RO, MoEF&CC, Official site visit for monitoring compliance to EC stipulation was conducted between 26.09.2018 to 27.09.2018. 	Complied
(viii)	Six Monthly monitoring reports submission to MoEF regional office			<p><u>Note: Updates on the transmission to RO, Dehradun, MoEF&CC, may be provided by SJVN CED. This note to be stricken off after the necessary update,</u></p> <p><i>Last Six Monthly Report (1st April, 2018 to 30th September, 2018) submitted to SJVN Corporate Environment Department on 12 December, 2018, for further transmission to MoEF&CC.</i></p>	Being Complied

S. No.	Conditions	Status	
4	Officials from Regional Office MoEF, Chandigarh monitoring the implementation of environmental safeguards should be given full cooperation, facilities and documents/data by the project proponents during their inspection	<ul style="list-style-type: none"> • Being ensured; • Lastly, RO, MoEF&CC, official site visit for monitoring compliance to EC stipulations was conducted between 26/09/2018 to 27/09/2018, with satisfactory cooperation. 	Being Complied
5	The responsibility for implementation of environmental safeguards rests fully with SJVN Limited & GoHP	<ul style="list-style-type: none"> • Being ensured. 	Being Complied
6	In case of the change in the scope of the a project, project would require a fresh appraisal	<ul style="list-style-type: none"> • No change in scope as on date. 	-
7	Ministry reserves the rights to add additional safeguard measures subsequently, if found necessary and to take action including revoking of the clearance under the provisions of Environment (Protection) Act, 1986, to ensure effective implementation of the safeguard measures in a time-bound and satisfactory manner	-	-
8	The Clearance letter is valid for the period of five years from the date of issue of this letter for the commencement of construction work	<ul style="list-style-type: none"> • Construction work started within five years of issue of this letter. 	Complied
9	Copy of clearance letter will be marked to concerned panchayat, if any, from whom any suggestions/representation has been received while processing the proposal	<ul style="list-style-type: none"> • No specific suggestions/representations have been received from the affected panchayat while processing the proposal. 	-
10	State Pollution Control Board / Committee should display a copy of the clearance letter at the Regional Office, District Industries Center and Collector's Office / Tehsildar's office for 30 days	-	-
11	Project proponent should advertise within seven days from the date of issue of the clearance letter, at least in two local newspapers widely circulated in the region around the project, one of which shall be in vernacular language of the locality concerned informing that the project has been accorded environmental clearance and copies of clearance letters are available with the State Pollution Control Board / Committee and may also be seen at website of MoEF at HTTP://www.envfor.nic.in	<ul style="list-style-type: none"> • The advertisement was published on April 07, 2006; • Advertisement mentioned that the copy of the Environment Clearance can be seen at Project Headquarter, Project Information Centre (PIC), H. P. State Pollution Control Board, Shimla & as well as on the website of MoEF, GoI. 	Complied

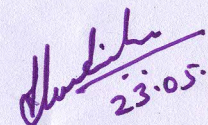

C)			
<u>The Condition imposed by the Ministry of Environment & Forests, GoI while granting Forest Clearance</u> <u>Vide letter no. 8-114/2005-FC Dated- April 07, 2006 & May 28, 2009 for 69.3762 ha+0.9274 ha forest land (Total-70.3036 ha)</u>			
Sr. No	Conditions Imposed	Compliance Status	
i)	Legal Status of the forest land shall remain unchanged.	<ul style="list-style-type: none"> The legal status of the forest land diverted is unchanged as on date. 	-
ii)	Compensatory Afforestation will be raised and maintained over degraded forest land twice in the extent to the forest land proposed to be diverted, at the cost of user agency. And same shall be raised and maintained by State Forest Department.	<ul style="list-style-type: none"> A sum of INR 88, 28,620/- has been released to HP Forest Department (INR 86, 42, 620/- for 69.3762 ha + INR 1, 86,000/- for 0.9274 ha). Utilization of INR 86, 42,620/- reported, hence 139 ha afforested. Afforestation of 2 ha against the diverted 0.9274ha was reported for execution through APO of FY 2018-19 but the latest status has not been yet submitted by Forest Department. 	-
iii)	Felling of trees shall be done only when necessary and that too with the prior permission of the State Forest Department.	<ul style="list-style-type: none"> Tree felling was done through HP Forest Corporation. 	Complied
