**Sub: Six Monthly Monitoring Report on Compliance to Environmental Aspects (For period April, 2022 - September, 2022) i.r.o Sunni Dam HEP (382 MW), Himachal Pradesh.**

**Ref: EC Identification No.: EC22A003HP169821; Letter No.: J-12011/14/2017-IA-I (R) dated 04 February 2022; Proposal No.: IA/HP/RIV/63789/2017**

Sir,

Kind reference is invited to above referred endorsement vide which Sunni Dam HEP (382 MW) of SJVN in Shimla and Mandi Districts (Himachal Pradesh) was granted Environment Clearance by MoEF&CC. As per EIA notification 2006 and Environment Clearance condition no. X (iv), submission of six-monthly status of the stipulated environment condition is a mandatory requirement. Further, it is also desired vide notification dated 26.11.2018 to submit half yearly compliance reports in soft copies only.

In this regard, this is to inform that investment approval of project from Government of India is in advance stage only after which construction work shall be started. Therefore, detailed status of all conditions mentioned in the Environment Clearance letter will be submitted to Ministry with commencement of construction work at project site. However, it is pertinent to mention that condition no. X. (i) regarding advertising of Environment Clearance in two local newspapers has been complied.

Submitted for your kind information, please.

सधन्यवाद,

भवदीय,  
एसजेवीएन लिमिटेड के लिए,

  
(कार्यकारी निर्देशक)
