Subject: - Constitution of Rehabilitation & Resettlement Committee under Section 45 of the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation & Resettlement Act, 2013.

Sir,

Kindly refer to the letter No. SJVN/DSHEP/HR/R&R/2022-1294 Dated 27/10/2022, received from O.P. Lakhanpal, Associate Consultant, Dhaulasidh Hydro Electric Project, Hamirpur (HP), vide which it has been requested to constitute the R&R Committee under Section 45 of the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation & Resettlement Act, 2013.

In view of the above, I have been directed to inform you that whereas you have directly purchased the land from land owners under Transfer of property Act 1894 and at that time you have not adopted the procedure under Right to fair Compensation Act 2013. Hence there is no need to constitute the R&R Committee now.

Yours Faithfully,

Head of Project, Er Sushil Kumar Mahajan informed that Project authorities have visited the project affected Panchayats time to time and listened to their problems and will also do the same in future. In this reference relevant information have also been documented during preparation of Social Impact Assessment Report wherein survey of the project affected area has been carried out by the Social Scientists and have collected the facts and figures from the project affected people as well.

*Agreed*

2	Shri Chain Singh, Village, Ballah Larhian, Ward No.3, Sujanpur	He suggested that local people should be given an opportunity /preference for employment and project related purchases should be done from the local market.	<p>Head of Project informed that petty purchases are normally made from local market depending upon the availability. He further stated that instructions to the Project Officers have been given to prefer local market for purchase of petty items.</p> <p>Regarding employment, Head of Project informed that the companies to be engaged in the construction work will be requested to give preference to project affected families while recruiting skilled/unskilled workers for their works.</p>
3	Smt. Neelani Kumari, Member Zila Parisad, Saproh Ward.	She said that one person from the project affected family whose land is being acquired should be given employment and hiring of vehicles should be done from the affected families as well.	<p>Head of Project informed that as per the instructions from Govt. of HP, 70% employment is to be provided to the Bonafide Himachli's in companies carrying out project construction work and preference is given to the project affected families. In addition to this, SJVN Ltd. sponsors eligible students from the project affected area for admission to various ITIs of HP depending upon the quota fixed for a particular project by the SJVN Management. Also there is a provision under R&amp;R Policy of SJVN to give scholarship to students from project affected area for ITI, Diploma, Engineering or other such courses . Regarding vehicles, the Head of Project stated that opportunities are provided to people from Project Affected Area for providing hired vehicles and same practice will be followed in future also.</p>
4	Shri Sanjay Kumar Dogra, Village Loungani	He said that the educated people from the project affected area should get employment in the project so that the unemployment in the area can be tackled with. He further asked from Tehsildar, Sujanpur	<p>Head of Project told that employment has been provided to the wards of project affected families as per their qualification in other projects under construction by SJVN Ltd. as per the guidelines of Govt. of HP in the companies engaged in the construction of Project. Similar efforts will also be made in this project.</p> <p>Tehsildar, Sujanpur informed that the cost of land will be fixed as per the Land Acquisition Act.</p>

		about the basis for the cost of land to be fixed, which is to be acquired for the project.	
5	Shri Shrawan Kumar, Ex-Member Nagar Panchayat, Sujanpur	He said that the land to be acquired in Plahi, Alampur and Bhalet is agricultural land and also has trees on it. He also said that the project work should only be started as and when the affected people and project authorities agree to appropriate rate of compensation for the land. Project affected family members should also get employment.	<p>Project Head informed that the compensation for the private land will be decided by the State Govt. and the project authority normally abide by the same. The project has no role in determining the rates for compensation. In case, crops of the nearby area are affected due to project activities, compensation will be paid to the affected people on the basis of scientific studies and its findings. He also informed that preference is given to the contractors from the project affected area for petty contracts. As is done in other projects, contracts valued upto Rs. 6.00 lacs were allotted to the contractors from the project affected area. In this regard, policy for this project shall also be formulated subsequently.</p> <p>Head of Project informed that employment has been provided to the wards of project affected families in other projects being executed by SJVN Ltd. as per the guidelines of Govt. of HP in the companies engaged in the construction of Project. Similar efforts will also be made in this project.</p>
6	Shri Jagat Ram, Village Laungani	He asked whether Bulli, Laungani & Baleu villages will be Re-habilitated. He further said that there are chances of drowning of animals in the project reservoir, hence the reservoir area should be fenced. Moreover there will also be effect on pasture	Head of Project informed that since no village will be submerged in the reservoir, hence no physical rehabilitation of any village was required. After the construction of the project provision will be made for fencing of the reservoir, if required. For the mitigation of pasture land, provisions have been made in the CAT Plan for pasture area development. In respect of the effect on agriculture, he informed that survey has been carried out under SIA by Agriculture University, Palampur. He further stated that survey of medicinal species in the

He also asked about the people working in the survey works of the project from the past two years.	area has been carried out and no endangered and important species have been found in the area.  During the last two years of survey work, local people had been employed through contractors given contract for petty works like Gauge & Discharge as well as engaging security guards through HIMPECSO, Hamirpur
7	Shri Vikram Singh Sadyal, Vice Pradhan, Gram Panchayant Chamyana	He said that there are chances of submergence of paths linking villages, Buhla Groharu, Upper Dreharh and Bharmarh. Will compensation be provided for fruit bearing trees falling in a private land to be acquired? Will project provide alternative paths in lieu of submergence of link paths? He enquired about the water level in the area due to project. Further he enquired that whether the water level will raise upto the pillar located near Riyah bridge.	Head of Project informed that as per survey carried and information gathered, no path, road, bridge etc. Under this particular panchayat will be submerged due to the project in this area. However, the project authorities will reconstruct the same if any of these structures are affected. Compensation will be provided to the concerned for fruit bearing trees falling in the private land to be acquired based on joint inspection carried out with the State Horticulture Deptt. or any other such authority. Regarding the water level  Head of Project informed that the project officers will visit the area and show the water level mark at spot after fixing a date for joint inspection with the local PRI's. Head of Project stated that the water level will remain approximate 5 mtrs. below the Riyah bridge as per preliminary survey carried out.
8	Sub. Pritam Singh, Village Plahi	He said that the survey work near village Plahi has been done two times and there are two pillars marked	Head of Project informed that the pillars which have been fixed afterwards and are still present, represent the actual water level. Water level shall remain about one meter underneath the pillars provided.

		in the area and enquired which of the pillars will represent the actual water level.	
9	Shri Uttam Chand Village Darhla	He said that he is not aware about the details of his land to be acquired by the project and requested that the project officers should contact directly in this regard.	Head of Project informed that information in this regard has been shared with the people and if anyone is not aware he may contact our officers in the nearby project office at Jihan. He further stated that this information has also been shared with the people during Gram Sabahs, Camps and various meetings.
10	Shri Purshotam Dass, Ward No.4, Village Doli, Sujanpur	He enquired on what basis the rates for compensation will be fixed. Whether it will be on current market rates or on previous year's rates. What will be the effect on environment due to increase in water level? The creation of reservoir will increase the chances of drowning of animals, and what measures are being proposed to avoid this.	Additional District Magistrate, Hamirpur made the people aware about the procedure for fixing the rates for compensation to be provided. Head of Project further informed that the rates will be fixed by the Govt. of HP applicable at the time of acquisition after issuance of notification under Section-4 of the Land Acquisition Act. Thereafter it was informed that analysis of the various impacts on environment has been evaluated and studies carried out as per the terms of reference issued by MOEF, Govt. of India and suitable mitigation measures have been prepared. After the completion of the project work, the fencing will be provided surrounding the reservoir, if required.

At the end, Environmental Engineer, HPSPCB, Una thanked all the participants and the District Administration for attending the Environmental Public Hearing.

Subject: Re- Constitution of Multi-Disciplinary Committee (MDC) to oversee the implementation of various environmental safeguards proposed in EIA/ EMP report during construction of Dhaulasidh HEP (66 MW), SJVN Ltd in Hamirpur District of Himachal Pradesh - regarding.

Ref.: 1) Environment Clearance (EC) letter no. J-12011/15/2010-IA-I dated 21/02/2013 for construction of 66 MW Dhaulasidh Hydro Electric Project.

2) SJVN letter no. SJVN/DSHEP/04-01/H-28/2023-1762 dated 22.08.2023.

Sir,

This is in continuation to MoEF&CC, Gol (IA Division) F. No. J-12011/15/2010-IA.I dated 28.12.2022 vide which Multi - Disciplinary Committee (MDC) to oversee the implementation of environmental safe guards during construction of Dhaulasidh HEP (66 MW) was constituted (Copy enclosed as Annexure-1).

Accordingly, the 1<sup>st</sup> MDC meeting at project site was conducted on 18.01.2023 (copy enclosed as Annexure-2) in the Chairmanship of CCF, Hamirpur Forest Circle, HP Forest Department.

Now it is intimated that Chairman of the said MDC got transferred and currently the CCF post in the Hamirpur Forest Circle is vacant. However, the Conservator of Forest for the Hamirpur Forest Circle is available. It is pertinent to mention here that in the present MDC, CCF (Wildlife) North, HP Forest Department, Dharamshala is also one of the members of the said MDC.

In view of the above, it is requested to re-constitute the said MDC for monitoring the implementation of environmental safe guards during construction period of the project.

The details of representative of various departments proposed as committee member for Multi-Disciplinary Committee (MDC) are given in Annexure-3 for your perusal.

## **Appendix-A**

Various components of the **Biodiversity Conservation and Management Plan** of the EIA/EMP report are being implemented as the project is being executed. The details are as under:

1. It is being ensured that noise levels don't go beyond 100dB(A), as can be seen in monitoring reports submitted with six-monthly compliance reports. This is being done by:
  - a. Regular maintenance of vehicles
  - b. Housing equipment permanently located at a site in noise absorbing structures
  - c. Mounting the vibratory equipment on anti-vibration mountings
  - d. Fitting silencers on machines with combustion engines, etc.
2. It has been proposed to develop a **Herbal Nursery near Village Sanotu** over an area of 0.50 ha. The issue has been taken up in the MDC meeting dated 18.01.2023 and the Chairman desired that project may explore possibility of development of herbal nursery in consultation with HPFD. Currently, the said land is being identified by HPFD.
3. It was also informed that an amount of Rs. 44.54 Million for afforestation and 19.7 Million for wildlife improvement and development has been kept in CAT plan.
4. Anti-poaching measures: fencing has been provided along the way to the dam site.

In addition, following activities and safeguards are being undertaken:

- a. Labor colonies are set up away from forest area/wilderness
- b. To minimize the pressure on forests and animal habitats for fuel,
  - i. Community kitchen has been made functional
  - ii. Cost for constructing 10 crematoria has been deposited

- iii. LPG connections, solar emergency lights, solar cookers and solar water geysers have been provided for.
- c. Movements and activities of laborers and associated workers is monitored to avoid disturbance in habitat of wild animals and birds.

The cost of Compensatory Afforestation and NPV, amounting to Rs.7.05 Cr. has already been deposited with CAMPA on 09.10.2019, prior to issuance of Stage-II Forest clearance.
